Before the Game!

After the game . . .

Soccer History

The 1972 Soccer season was a very successful one with the team producing a record of 12-5. The Demons won the Lee-Harnett conference title with an 8-0 record, defeating Benhaven. The Demons lost only five games — all nonconference. The team met their defeats from first ranked Chapel Hill and third ranked Ravenscroft. After the regular season, Buies Creek traveled to the Raleigh Regionals. There, they defeated 4-A Broughton High School 1-0. The second game was against a competitive Greenfield team, Buies Creek winning 7-0. The final game against Ravenscroft remained

scoreless with six minutes left. A Ravenscroft goal in the final minutes ended the season for the Demons.

Leading scorers for our team were: Tony Ferrell, 21 goals; Mark Johnson, 15 goals; and Rhonda Matthews, 15 goals. Tony McKoy, David Newton, Mike Ferrell, and goalie Murray Johnson displayed tremendous defensive skills.

With such a satisfying season behind them, the Demons of Soccer are remembered for their outstanding offensive and defensive balance and leave us with high hopes for our future teams.

Defeat a rare occurrence.

This team has spirit.

Hot dog Johnson scores his fifth.

'Teacher of the Year' is named in Harnett

LILLINGTON — Harnett Superintendent of Schools, R. A. Gray, has announced that Michael Glenn Hood, a social studies teacher in the Buies Creek High School, was selected "Harnett County Teacher of the Year for the 1972-1973 School Term." Hood was one of several candidates that had been nominated by the local Harnett County Schools.

Hood is a native of Lillington and graduated from Lillington High School. He attended Campbell College and was very active in several organizations. He received his B. S. Degree from Campbell College in social studies. For the past two years, he has taught social studies in the Buies Creek High School. He instituted the golf program in the high school, has coached basketball, and assisted in coaching soccer.

Hood's academic endeavor includes math and the publication of the school newspaper although his primary instructional responsibilities are in social studies. He stated that his basic mode of teaching is the inquiry or reflective teaching method involving development of inductive reasoning.

He is a member of North Carolina Association of Educators, Association of Classroom Teachers, and the Political Action Committee for Education. Hood was employed by the Harnett County Board of Education during the summer of 1972 to assist three other county social studies teachers in designing the guidelines for the

new Harnett County Social Studies Curriculum.

Hood is married to the former Ann Lassiter of Buies Creek. Mrs. Hood teaches second grade in the Gentry School. He is the son of Mr. and Mrs. C. H. Hood. His father was a school teacher and served for many years as the Harnett County Transportation Supervisor. He was serving in that capacity at the time of his death in 1964. His mother is a third grade teacher in the Shawtown School.

Commenting on the selection of Hood, School Superintendent Gray said that, "Mr. Hood is an excellent young teacher who represents our total teaching force in a fine manner." Later in the year a selection is made for Teacher of the Year on a statewide basis. Hood will represent Harnett County in this competition.

LEARNING WAY TO A MAN'S HEART

The Home Economic II students of Mrs. Mary Lou Ellen at Buies Creek School have recently completed a foods unit in which they learned how to prepare desserts for a guest meal. Mrs. Ellen said the girls learned how to cook and prepare a custard filling and make pie crusts. Removing a custard pie from the oven are Laura Lloyd, left, and Lou Ann Holmes.

A MUSICAL FABLE OF BROADWAY

All the critics agree that "Guys and Dolls" ranks at the top of the all-time hits here at the Village. The voices that made "Fiddler On the Roof" and "Camelot" total successes have been blended with Damon Runyan humor by Director Bill Harrigan into a true musical comedy.

If ever there was a "must see" show, "Guys and Dolls" is the one

STUDENT CONCERN AT AMERICAN

SOCCER!

News this week about soccer at Buies Creek High School is all-sweet. Sweet is the way Coach Tommy Baker's team handily defeated Broughton High School of Raleigh and Clinchfield High School of Wilson County in the N.C. high school football soccer play-offs held last week in Raleigh.

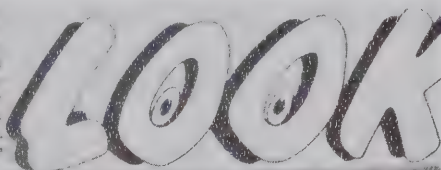

The bitter came when the local team lost to Ravenscroft 1-0 in the final game and came out of the finals with the trophy for the district first runner-up team. Named to the all-district team from the Buies Creek School were Tony Ferrell, sophomore; Bill Orice, senior; Tony McCoy, senior; and David Newton, senior. The all-district team was chosen by vote of the referees and coaches who rated the players after each game.

An item of interest to local people is the fact that the Greenfield High School team was coached by Rick Helms, who was graduated from Campbell High School in 1958. Helms was a member of the Campbell basketball team during his school here. Head Mrs. Helms was also active in the life of the community.

SCIENCE FAIR AT BUIES CREEK—The sixth grade students of Mrs. Mary Jo G. McLamb at Buies Creek School recently held a science fair and invited their parents to attend. Seventeen parents came to the fair and watched as the students conducted experiments and demonstrated various electrical objects they had made. Here, Dr. and Mrs. B. P. Marshbanks examine the electrical motor built by Mark Roberts, right, son of Mr. and Mrs. Danny Roberts. Mark Stewart, son of Mr. and Mrs. Gen Stewart, also watches the demonstration.

WHAT'S HAPPENING

Juanita,

Hasn't it been fun this year in Geometry & at all the ballgames? You've got potential to carry on the Blackmon tradition for the Lady Demons and it was a great pleasure cheering for you these past 2 years. If we regain our old positions next year — we'll have another great time. Thanks for carrying a spark of Demon spirit during & after the games — we cheerleaders sure needed some help this year! Thanks also for listening to my gripe about B+E, & thanks for the ride to the ballgames. You're a pretty girl with a great future, so here's wishing you much luck & happiness.

P.S. - Remember the night ^{RFA,}
they tried to teach me 'Spades'! ^{Rose!}
(I still don't know how to play!).

Juanita, "10"

It has really been a pleasure to have you as a true friend. Because you really are a true friend. I have really enjoyed going places with you too. Such as the Cambell basketball games, on the bus. The games were good, but I think I enjoyed the ride just as much with our conversations and telling jokes with Rhonda, and Tyrone. And we must not forget the most important thing which is meeting ^{new} people (ow) He is really a pretty nice ~~a~~ guy, if you get to know him better. You had better become a "pro" a spades so you can play with ~~the~~ Watson, Heather and me, and also you can get in our all night spade game at the Beta convention. You are a very beautiful and sweet girl, and you get a lot of looks from boys (ow). So I wish you ~~all~~ all the luck in the world. Keep up the good work in basketball.

Love,
John "10"

Guante,
 It's really been a great year, football
 basketball, and rides to practice
 but the best thing you've ever done
 for me is not dating Woody. Stay
 sweet and stay pretty, and next
 few years we get some sleep!

Guante,
 I really enjoyed listening
 to all your little
 problems and secrets
 this year. Keep telling them
 to me. You're really a sweet and
 cute girl. The only complaint I have
 is that you're letting people know you in the
 ground and walk on you. You know
 what I've told you about it. Maybe one day
 you'll learn I sure hope so. I wish you the best
 of luck in the future, because you really deserve it. Stay
 sweet.

Juanita,
I wish good luck to one of the prettiest
and nicest girls I know.

Your friend always,
Tex.

Juanita,
Your really apart of a good year here at the
creek. Riding on the bus, and going out are
things I won't forget. Even though I'll
be leaving next year I hope you and
no one else forgets the one and only
Rug. Being in the same classes sometimes
and just being friends has been a great
honor. Stay good-looking and sweet forever.
Good luck in the future.
